Looking to Wellington's future

Join us for presentations on two current environmental good practice programmes in our region.

Shaping Wellington as a resilient city -

Wellington is one of the cities selected for the Rockefeller 100 Resilient Cities programme. Marta Karlik-Neale will provide an overview of Wellington City Council's resilience strategy work and the emerging projects that are set to shape our city in the next 60 years.

Significant biodiversity in the Wellington

Region - Greater Wellington Regional Council has recently published a guide to identifying and protecting significant biodiversity in the region. Dr. Jamie Steer will provide an overview of the document and explain its significance to environmental practitioners.

Speakers:

Marta Karlik-Neale, Principal Consultant, AECOM.

Dr. Jamie Steer, Senior Biodiversity Advisor, Greater Wellington Regional Council.

When: Tuesday 31st January 2017

Time: 5:30 – 8:00 pm

Where: AECOM, Level 3,
80 The Terrace, Wellington

Cost: EIANZ members & students
(with ID): \$10
Non-members: \$15

Cash or direct credit to 01-0797-0276302-00 - Environment Institute of Australia and New Zealand (receipts issued on the night)
