

## 2016 Event timetable for the Wellington Branch

Date	Event
23 Feb 2016	<p><b>Green Infrastructure: examples of low impact stormwater management and stream daylighting as contributors to urban water quality, ecology and amenity</b>            Presentation by Mark Lewis (Principal Landscape Architect, Boffa Miskell) and Allan Leahy (Principal Technical Specialist - Stormwater, MWH)</p>
5 or 6 Mar 2016	<p><b>Family day at Otaki and Otaki Beach Kite Festival</b>            Each summer Dianne Buchan (NZ Vice President of EIANZ) hosts a family day at her place in Otaki. As our branch members are spread from Palmerston North to Wellington this is a wonderful opportunity to meet half way for a social occasion. This year we will hold it during the <a href="#">Otaki Beach Kite Festival</a>. The idea is to meet for a shared lunch and enjoy the gardens at Di's, with an option to view the kites at the beach at your leisure.</p> <p>This event is subject to member interest, so please email Di with your preference for the Saturday or Sunday and we will confirm details (<a href="mailto:db@corydon.co.nz">db@corydon.co.nz</a>)</p>
TBA June 2016	<p><b>The emerging discipline of environmental psychology</b>            Presentation from Dr. Taciano Milfont - School of Psychology, Victoria University</p>
18 Aug 2016	<p><b>New age of water management</b>            Presentation by Colin Crampton – Chief Executive, Wellington Water</p>

**Please note:** Our event program is subject to change. Notification emails are sent out prior to an event being confirmed.
