Dear EIANZ (Tas) Member

NOTICE OF 2016 ANNUAL GENERAL MEETING

You are invited to the Tasmanian Division AGM on Wednesday 10 August 2016 commencing at 5:30pm. Location to be confirmed.

The Tasmanian Division of the EIANZ is having its Annual General Meeting. Formalities will be short and straightforward – President's report, Treasurer's Report and the election of the 2016/17 Committee.

The Tasmanian is the smallest Division in the Institute and we are continuing to experience a growth in membership. Your local committee is keen to maintain this growth into the future and organise events of interest to all Tasmanian environmental practitioners.

The existing committee consists of an enthusiastic group of practitioners with wide-ranging contacts and experience. It's a great way to network and contribute to the environmental profession. Are you interested in being involved with the Tasmanian committee? If you are able to commit the time, we would be very happy to have your nomination for any of the committee positions, as they will all be declared vacant at the AGM.

A nomination form is attached. Members with an interest in joining the Tasmanian Division committee are encouraged to contact the current President of the Tasmanian Division via tas@eianz.org

To allow us to confirm the ability to achieve a quorum, please RSVP by no later than Monday 22 August 2016 to tas@eianz.org

Yours sincerely

Kirsty Kay, MEIANZ
President
EIANZ (Tasmanian Division)
