What prompted you to join EIANZ?

It was vital to find out more about environmental issues in Australia and NZ and to find out more about who to contact regarding new initiatives.

What have you found most rewarding about a career in the environment sector?

The ability to work with colleagues across the sectors to promote public good issues in environmental and water sustainability across Australia

What advice would you give a colleague thinking of joining EIANZ?

Join but get involved. It will enhance your professional development and career.
