

ABOUT EIANZ

The Environment Institute of Australia and New Zealand (EIANZ) is a professional association for environmental practitioners. We support practitioners throughout their careers, from students and early careers, to experienced and certified practitioners, through to retirement. We harness the expertise of our members to progress environmental practice and advocate to improve sustainability outcomes.

Our Mission is to connect and support environmental practitioners to promote a sustainable future.

Vision | We Will

- Promote excellence in practice by supporting our members in their professional development throughout their careers
- Support the profession in its contribution to good environmental outcomes
- Be credible, respected and valued
- Represent the diversity of the profession

Values | We Value

EXCELLENCE	ETHICS	ENGAGEMENT
<p>We establish and encourage high standards of science, policy and practice by:</p> <p>Preparing guidance and policy notes on best practice environmental management.</p> <p>Promoting opportunities to build knowledge and skills.</p>	<p>We are accountable and share a commitment to ethical professional practice by:</p> <p>Keeping members accountable in their ethical conduct through standards and compliance.</p>	<p>We are actively engaged in our profession and advocate constructively for evidence-based environmental management by:</p> <p>Being active in policy and advocacy.</p> <p>Undertaking strategic partnerships.</p>

ABOUT EIANZ

Our Strategic Directions

Promote a sustainable future and good environmental outcomes

Contribute to the development of environmental legislation, policy and guidance that address community concerns about environmental protection and foster a more sustainable future.

Promote excellence in practice

Support career pathways with a mature framework for professional development for all career stages from university course accreditation through mentoring to building and acknowledging professional proficiency.

Support the profession

Organise events (conferences, webinars), be active in relevant policy discussions, and through other technical and networking activities.

Be credible, respected and valued

Market and communicate the value EIANZ provides to its members, to connect and grow the profession.

Represent the diversity of the profession

Support Special Interest Sections and develop partnerships.

Be an efficient and accountable organisation

Provide exceptional service to EIANZ members and CEnvPs. Ensure sound administration and financial management. Measure our performance.
